From the Editor

Pretty quiet around the Wagner house last month. We are mostly trying to bring our flower beds and patio plants back to life after the fairly long, and surprisingly cold, Winter. The Salado trip was a nice break, thanks to James and Joanne for organizing a nice relaxing trip.

Actually I'm taking a break from finalizing my income taxes to do the newsletter so I don't mind taking a looong time to finish up. I was able to fill a respectable number of pages thanks again to Charles who contributed two articles: A Salado trip report and pictures from last month's meeting.

Looks like the recession is easing somewhat, at least in the rental industry. My company is hiring like crazy and is actually having trouble filling some spots. Unfortunately they are almost all in California.

Lots of new items in the Calendar thanks to Keith passing on a bunch of show event info. I just added a few, there are many more... You could go to a show every weekend if you are so inclined.

Our Friendly Rep!

Friendly Chevrolet's representative to the Corvette Club of Texas is Doug Mabe. When you need to replace your Corvette with a new C6 be sure and give him a call at **(214) 920-1900**.

Also don't forget to contact Friendly when you are upgrading the family car for a new one!

In addition to his regular work schedule, Doug is always at the dealership during our monthly Friday night membership meeting.

On the cover: The 1,500,000th Corvette. All the milestone Corvettes have been white. But this one has a blue stripe too! Thumbs up!

President's Prerogative Apr. 2010

I missed the March newsletter deadline; seems like time passed by too fast. Here I am on Sunday morning making sure this makes it into the April edition of the newsletter.

Yesterday was the road trip to Salado for the Wildflower Arts Fair and lunch at the Stagecoach Inn. We had great participation in this event and good weather too. Thanks to Joann and James Powdrill for arranging an enjoyable day trip.

Now, on to my annual request for support for our Autocross Event. We are teaming up with Cowtown Vettes again this year for a two day event on May 22nd & 23rd. We need everyone's HELP in staffing our part of the event. If you are new to the club, this is our ONCE a year money raising event. We use the money to help disadvantaged families at Christmas. It is also a great way to get to know your fellow club members. Since the date for the Autocross is the weekend after our scheduled

club meeting for May, we will have the club meeting in Mineral Wells on Friday night May 21st. Hope to see everyone at the May meeting in Mineral Wells and the next two days at our Autocross.

We have reserved a block of rooms for the Autocross event at the new Holiday Inn Express in Mineral Wells. The phone number to reserve your rooms is 940-325-7829. Be sure to tell them you are with the No Frills Race Event (Code CCR) for the special rate of \$85.00 a night. If you still have any questions about Autocross, please contact Paul Wolter or me. As I have said in the past, it will take everyone's participation to make it all come together. I hope everyone will DO THEIR PART IN SUPPORTING OUR CLUB.

In reviewing the activities sign-up sheet that was passed around at the January meeting, I see that several people have already signed up to host activities this year. Please remember to add your name to "host" a CCT activity this year. If you are interested in being part of the Activities Committee please contact Bob Stephens or me. We still need volunteers to sign up for the July, August and November meetings for the after club dinner arrangements.

Happy Easter!

CORVETTE CLUB OF TEXAS, INC.
MARCH 19, 2010, MEMBERSHIP MEETING
FRIENDLY CHEVROLET, STEMMONS FREEWAY, DALLAS

The meeting was brought to order by the president, Mitch Factor, at 7:30 PM, March 19, 2010. The January minutes were approved as printed in the newsletter with one correction: "Bob Kee was nominated to fill the CCT Board position to replace Charles Whitaker," whose term was completed. The minutes of the Board meeting of March 15 were approved as read. Mitch gave the treasurer's report for Mel Roggenbuck, who was sick. Mitch said we were going to Papa's Barbeque tonight after the meeting.

NCCC Governor, Paul Wolter, reported that the NCCC Southwest Regional banquet will be held at the Texas Motor Speedway and it should be a break-even cost to CCT. The NCCC National Committee said they would be sending out sympathy cards to families of members, who have passed away. The Southwest governors' meeting will be at our autocross, May 22nd and 23rd, which we are jointly putting on with Cowtown Vettes.

Mary Wolter welcomed a new member, Pete Anderson, to the club. She also welcomed a visitor, Marty Robbins, who owns a '77 Vette. He found out about CCT via the web site.

ACTIVITIES:

Joann Powdrill discussed the day trip to Salado on the 27th of this month and said to please call her and let her know if you are attending.

Mitch discussed the five-day trip to the Grand Canyon in August.

Darlie Kee passed out information on a proposed overnight trip to Jefferson, Texas, to see the Christmas lights the first weekend of December.

Ken Bradley passed out menus for a proposed a trip to the Four Winds Steakhouse April 10th. He had a good response from the members who want to go. He will send out an email with details of where to meet and asking for RSVP to make reservations.

Bob Stephens said he would work on an activity for the 4th of July.

Keith Amendson passed out information on the area car shows

Paulette Wagner discussed a trip to the SCCA racetrack at Eagles Canyon.

Mitch brought up the subject of the Bylaws change, which Charles Whitaker proposed last month. He asked for any changes to the proposed changes. Bob Stephens made a motion to accept the bylaws changes as proposed last meeting and published in the newsletter. Motion was seconded and passed unanimously.

Charles, also said the Bylaws state that the secretary should keep the bylaws up to date. We are not sure if the bylaws on the web site are current. After much discussion, a motion was made, seconded and unanimously passed to accept the bylaws on the web site as the CCT Bylaws and add the changes which have already been approved at this meeting. Bob Kee suggested that the CCT Board review any further changes. The secretary should get a copy of bylaws, which are on the web site, and keep track of any changes.

Gene Whitaker conducted the raffle and the meeting adjourned at 8:30 PM. Everyone was invited to caravan to Papa's Barbecue on Northwest Highway.

Respectfully submitted,

Jeanette Bradley, Secretary

Salado Wild Flower Art Fair & Packard Car Show

By Charles Whitaker

The Corvette Club of Texas members gathered at two locations Saturday morning March 27, 2010 at 8 a.m. for our trip to Salado with the Eastern group meeting at the Burger King in DeSoto and the Western group meeting at Abuelo's Mexican Restaurant in Hurst. The two groups met magically at the same time in Hillsboro at the What-A-Burger. The trip was to attend the Salado Wildflower Arts Fair and the Packard Car Show. We drove our shiny Corvettes in a caravan from Hillsboro to Salado and parked between the two events at the First Baptist Church on Main Street. It was a half mile walk north to the Salado Civic Center where the Wildflower Arts Fair was held and we enjoyed the nice long walk there a lot more than the very long walk back. My new pedometer the my stock broker gave me to pacify me from the poor stock market performance said that it was half a mile there and 0.8 of a mile back, but I guess that the extra distance was the walking among the art booths.

Corvettes at the Baptist Church

Gene On Her Way To the Art Fair

I picked out a nice painting of a Blue Bonnet scene that costs \$175 and after we finished looking at the displays I took Gene to see it, but there was a blank spot where it had been hanging. I asked the artist about it and she said, "Yes, someone just purchased it." So I saved some money.

Art Fair

More Art Fair

The walk back to where our Corvettes were parked was very long as I said previously, but the scenery was good and there were park benches along the way where I could rest my sore back or other places like book stores with nice soft seats where we could look at a book and rest for a while. My back was sore from 3 weeks of work on my 1978 Pace Car to get the vacuum operated headlight doors working and to repair the vacuum leaks in the air conditioner control circuit.

The Corvettes were fairly close to the Stage Coach Inn where the Packard Car Show was being held and where we were scheduled to meet for lunch. So we walked there and enjoyed the car show before lunch. I included photographs of two of the Packards and I should have written the model and year of each one of them down, but I didn't.

Pre WWII Packard

Another Nice Packard

We had a private dining room decorated with Old West paintings and bronze sculptures reminiscent of those done by Frederick Remington; however, most of them were look-alikes in the stage coach theme that Remington used so much in his art. The fare for lunch was simple, but very good with \$15.95 lunches of either chicken fried steaks, barbecued chicken, fried catfish or beef stroganoff with salad, dessert and drink included. We all ate too much and our eyes were drooping after eating so much.

A total of 28 people attended the “drive and eat” with 14 Corvettes and one metal car. Thanks to Joann & James Powdrill and Patti & Dennis Bertwell for coordinating our trip and for arranging the nice weather on this spring day.

March 2010 Meeting, Raffle & Dinner

By Charles Whitaker

The March meeting of the Corvette Club of Texas was held on March 19, 2010 with our president Mitch Factor conducting the business. After approval of changes to our Operating Procedures and By-Laws, the Raffle Lady, Gene Whitaker, collected \$44 from our members for our treasury and conducted the raffle. She thanks you for bringing your gifts for the raffle. We had a good turn-out from our members and I took photographs of the raffle winners. Bob Mischel won a Corvette Black Book, Darlie Kee won a freezer ice pack, John won a candle in a jar, Carol Factor won a prize and Charles Whitaker won a bottle wine.
