Following each CCT monthly membership meeting, a CCT after club social event is hosted by a CCT Member, starting at approximately 8:30 p.m.

Monthly Board Meeting

Held on the Monday before the third Friday of the month at 7:30 p.m. at Friendly Chevrolet. All members are invited to attend.

On the cover: Paul Wolter posing by his 1964. Nice, but he is not as pretty as the model you'll see later...

From the Editor

Yet another month that my life was made easy by my many contributors. Charles wrote another article with pictures, Carol wrote up the latest CCT trip and Paul added a nice article on the recent photo shoot with his 1964 and even supplied a cover! Other than these pearls of wisdom, I pretty much didn't have to do anything but arrange everything and make it pretty.

I hope everyone weathered the recent ice storm. I am one of the fortunate few that can work at home whenever there is a need. So the Corvette stayed cozy in the garage and I still got a lot done. Actually I have driven my C6 on ice, although not as bad as last week, and it works just fine. But why chance it when you don't have to...

Patti has already set up a nice selection of activities for us. After a long and not so bad January we all should be ready to participate in as many of Patti's offerings as we can. Hope to see you all out and about this year.

Joe Wagner

Our Friendly Rep!

Friendly Chevrolet's representative to the Corvette Club of Texas is again undetermined. When you need to replace your Corvette with a new C6 be sure and give Friendly a call at **(214) 920-1900**.

Also don't forget to contact Friendly when you are upgrading the family car for a new one!

In addition to their regular work schedule, someone is always at the dealership during our monthly Friday night membership meeting.

President's Prerogative Feb. 2009

I am sorry I missed seeing everyone at the January meeting. My thanks to Paul Wolter for standing in for me. We are still in need of a Vice President for this year. If you would like to volunteer for the position please let me know. We had a great turn out for our first event of 2009; even though the weather was cold we had a great time. Thanks to Patti and Dennis for leading the event. REMEMBER if you are interesting in being the "lead dog" for any of our events, please contact Patti. As a courtesy to Patti, be sure to let her know of your plans to attend each event by the requested dates in her emails so she can secure the necessary space for our group's dinners, parking, etc.

We still have some opportunities to host the monthly after club meeting dinners. We also need volunteers to maintain the club's trophy case. There will be signup sheets at the next monthly meeting in February for both of these.

I am looking forward to another fun filled year of activities. This is the 15th year anniversary of the Corvette Museum in Bowling Green, KY. There will be another national caravan to celebrate the event this year on September 3-5. If you have not had the opportunity to be part of a national caravan you have really missed out on an exciting time. You need to be thinking about being part of this activity.

Thanks for your support. Mitchell Factor President, CCT

**CORVETTE CLUB OF TEXAS, INC.
JANUARY 16, 2009, MEMBERSHIP MEETING
FRIENDLY CHEVROLET, STEMMONS FREEWAY, DALLAS**

The meeting was brought to order by governor, Paul Wolter, in the absence of president, Mitch Factor. The CCT Board meeting minutes of January 12th. were approved after one correction: Paul said Mary had requested a date for the 2009 CCT Christmas party at the TMS clubhouse.

Paul Wolter gave the governor's report, saying everyone should have received their NCCC packets by now. The Southwest Region awards banquet will be hosted by Cen-Tex Corvette Club on March 28, 2009.

Mary Wolter gave the membership report stating CCT has 63 members with 46 NCCC members. She also introduced 2 visitors: Chuck & Carol Henderson (2005 white Corvette).

In Patti Bertwell's absence Paul reminded everyone about the upcoming drive & eat on January 24. Since photographer Charles Whitaker will not be able to attend, James Powdrill volunteered to take pictures of the event. Patti also has several more activities in the works for the upcoming months.

Paul Wolter thanked Mary Wolter, Ronnie Walker, James & Joann Powdrill for making the Christmas party a success.

Paul also reported on the Gill Children charity event that CCT did this year. Four families with a total of 15 children were adopted and with the generosity of all the people who participated, it was a huge success. Paul & Mary, along with James & Joann, delivered the gifts to the Gill office on Monday Dec. 22nd and met three of the families that the gifts were for.

Old Business:

A report of the 2009 officers noted that the Vice President office is still vacant. Bob Mischel volunteered for the vacant position on the board of directors.

New Business:

Paul Wolter & James Powdrill will be meeting with the manager of Grayson County Airport in the very near future to discuss the availability of the airport for CCT to hold our annual autocross. CCT & NTV will be partnering again this year for the event.

It was noted that the National Corvette Museum would be celebrating their 15th year in the present location Sept 4-6, 2009. Several caravans will be going there from various parts of the U.S. James Powdrill volunteered to gather information on the event.

The raffle was postponed until next meeting.

The after club was hosted by Paul & Mary Wolter to Pappas BBQ.

Meeting was adjourned at 8:20 PM. .

Respectfully submitted by Joann Powdrill

In Sec. Jeanette Bradley's absence

CCT January Meeting 2009

By Charles Whitaker

Our January meeting of the Corvette Club of Texas was a little down in attendance, but those that came enjoyed a nice meeting conducted by Paul Wolter who explained what activities, outings and challenges are coming up in 2009 for the club. We had some new members who attended so Paul went over our normal business explaining what we usually do during the year as a club. It sounds like it will be another exciting year with the activities that Patti Bertwell has planned and with the events such as the NCCC national convention in Colorado this summer, the 15th anniversary caravan to the National Corvette Museum and the CCT/NTV autocross which is still in the very early planning stages.

After the meeting we caravanned to Pappas Bar-B-Q which is the default dinner place when no one plans a special dinner. We had three double table of members at the dinner and from what I saw no one went hungry. I counted a total of 15 people at the dinner and we had some great time bonding and discussing.

Texas Wine and Ribeyes Make A Perfect CCT Event

Saturday, January 24th, 2009

Submitted by Carol Factor

A cold winter day was the perfect time for CCT's first Drive and Eat event of 2009. The caravan of 11 Corvettes cruised down winding country roads ending at Brushy Creek Vineyards in Alvord, Texas located a few miles north of Decatur, Texas. Signs offering farm fresh eggs for sale, cream colored fields dotted with rolls of hay, cows, horses and barns were a pleasing change of scenery from city life. We toasted the New Year and enjoyed tastings of many varieties of Brushy Creek red wines followed by a tour of the winery with owner, Les Constable (a nuclear engineer by trade), and his friendly staff.

Our next stop was the downtown square in Decatur for dinner at Sweetie Pie's Ribeyes Restaurant known for their grilled caramelized ribeye steaks, homemade yeast rolls with honey, and salad with hot bacon dressing. We didn't have room to try the desserts. Maybe next time.

We look forward to more Texas winery tours and other exciting events this year.

Photo Shoot of Paul & Mary Wolter's 1964 Corvette Coupe By Paul Wolter

Last December a professional photographer emailed me and asked if we would make one of our Corvettes available for a professional photo shoot with one of her models. We agreed and I drove our 1964 Corvette coupe to the east side of downtown Ft. Worth on a very cold Sunday morning when the outside temperature was 32 degrees in the sun. For most of us Texans that is too cold and belongs up north! The following pictures were taken by me of the photographer, the model and the Corvette during the photo shoot. The photographer took approximately 200 pictures of the model with the car, the model posing with her boyfriend and the car, and of me standing with the car.

I took about 20 photos and tried not to interfere with the photographer and model during the photo session. During the photo, which lasted about 45 minutes the car was moved 4 times to take advantage of the natural sun light, shadowing, trees and the Ft. Worth Skyline in the background. Since it was a pretty chilly morning, the Corvette motor was left running with the heater on to keep the model warm.

Immediately after completing this photo session, the model was off to Atlanta, Georgia for another photo session.
