**From the Editor**

Well, I have pretty much resigned myself to keeping my Grand Sport. But Gerry Freeman drove up in a new silver C7 at the last breakfast and when I sat in it (Thanks, Gerry) I fit! The convertible apparently has more headroom than the coupe.

Then I drove to work last Monday and there in the lot was a beautiful new yellow C7 coupe. A fellow worker that owned an older black C6 had traded up. Kicker was he wasn't even looking. He had taken his wife's car in for service and there it was on the showroom floor.

So... I have the bug again. I have no good reason to do it. My 2012 Grand Sport only has 15K miles and will last for years. But once the bug bites you have to scratch the itch. One possibility is replicating my first Corvette: A green convertible with a brown interior. I had one like that in 1970 and it would be interesting to get another one like it 45 years later. I would probably have to order one to get the exact match, though, which could mean months of waiting.

But who knows, I may come to my senses over the next few weeks and stay with the C6 --- or not. Stay tuned.

*Joe Wagner*

**Sage Words from Keith**

January 2014

Hot Rods at Point View Car Show and Cracklefest was held on January 25. I would like to thank Ronnie Walker for coming over from Euless with his beautiful red '05 and Gerry Freeman from Rowlett with his new C7. I know Combine (town about 25 miles southeast of Seagoville) might be a little far for most of you, but going to breakfast from my house is also.

It was the second year for Hot Rods at Point View. As usual it had a large turnout with a little bit of everything. There were five Top Fuel nostalgia dragsters and one of Mike Burkhart's funny cars was there.

I started early to Combine in my Corvette but it got hot and I went back home and got my '69 Chrysler. After barely making it to the gas station, I discovered I had a pin hole in my heater hose. I called my buddy and after a couple of hours without proper tools we got it fixed and I took off. I got there a little late, but I got there. I saw several old friends. When I went over to get a cold drink there was a lady nearby that kept looking at me. Finally she asked if my name was "Keith." "Yes, it is," I said. "Do you remember me?" she asked. I said, "Frankly, no." She said, "I used to date one of the guys in the Corvette Club." When she said who it was I said, "What a small world."

Until next time... God bless.

## **Membership Meeting January 17, 2014**

The meeting was called to order by President Bob Kee at 7:31pm.

The club welcomed four visitors: Betty and Ward Diehl and Richard "Elvis Jr." and Delia Weise.

A headcount was taken for the after meeting Social at Market Street Diner and 22 or 23 members and guests will attend.

Jim Iuele gave the Treasure's report. The club spent about \$3000 on the Christmas party and the remaining balance in the Treasury.

It was announced that Sandy Kapesos is going to be new Raffle Lady.

Minutes were approved as submitted. Bob Mischel made the motion and Darlie Kee seconded.

There was no Governor's report nor Membership report due to the absence of Paul and Mary Wolter.

The only club activity reported on was the club Breakfast (Thanks to the Wagners). The next breakfast will be at the Golf course in Euless on February 8th.

The club will not participate in Auto-Rama this year due to some requirements that the club was not prepared for.

The raffle car idea was brought up again and will be discussed again later.

The Haltom City Car Show was discussed again and some members want to donate \$250.00 this year.

The money helps with vaccinations, School supplies, etc.

With no further business the meeting was adjourned at 8:08pm.

Respectfully Submitted

**January 2014 Breakfast**

By Charles Whitaker

The Corvette Club of Texas January breakfast was hosted by Paulette and Joe Wagner at Benedict's in Addison, Texas. We had 22 people attending, which was a big group. This was the first time that our breakfast has been at Benedict's and it was a great place with pleasant decor and good food. I suspect that we will return there in the future.

Gerry Freeman drove his brand new 2014 silver Corvette convertible to the breakfast. At that time he had just purchased it less than a week ago. Mike & Deborah Garrison parked their red 2006 Corvette convertible next to Gerry's new Corvette and I couldn't resist the urge to take a photograph to show them together. Gerry invited me to sit in his Corvette and start the engine, which I did by just the touch of a button. The engine jumped to life in an instant with a very nice rumble from the exhaust pipes. I think that I look good in his car.

The next CCT Brunch will be held on Saturday, February 8, 2014 at 10:30am at the Raven's Grille, located inside the Texas Star Golf Course Clubhouse located at 1400 Texas Star Parkway Euless, Texas 76040. Please see the e-mail that Paulette sent out or the announcement in this newsletter.

**CCT Brings Christmas to Families at Gill Children's Services**

Thanks to the efforts of Paul and Mary Wolter, CCT receives a list each year of some of the families that are not able to provide Christmas presents for their children. Members of our club that chose to “adopt” a child, picked a name(s) from this list and purchased and wrapped presents for the children in each family.

On Wednesday, December 18, 2013, CCT had the privilege of delivering the gifts that many of our CCT members so generously provided for The Gill Children's Services in Tarrant County. The children who are faced with unmet needs during the holidays, the ones who are “falling through the cracks,” have one thing in common—they have nowhere to turn for help. Gill is their safety net.

This is the first year I have been able to see first-hand the impact of our club's generous efforts. Several of our members joined Paul and Mary at Gill Children's Services at the location on Hemphill Street in Ft. Worth to see our presents delivered to the families.

Amanda Stallings, Executive Director, met us there with several other volunteers and staff. Santa Claus' smiling face greeted us at the front door. One by one, the families arrived; most of the children rushed into the room, smiled, greeted Santa and told him of their Christmas wishes. A few of the children walked in more slowly, their sweet faces reflected surprise and trepidation. They weren't sure what to expect. Some of younger children eyed Santa for a while before they whispered their secret wishes in his ear.

CCT members stood to the side of the room and watched while trying to stay out of the homemade cupcakes so there would be plenty left for the children. Each child opened only one of their wrapped gifts. Those that received bikes hopped on them, whirling around in circles laughing. Tears of gratitude filled the eyes of more than one of the parents. We tried, but our pictures couldn't capture the happiness that filled the hearts of everyone in that room.

I'm glad I joined Paul and Mary and the others to see the impact our club made on the lives of these families. I plan on going again next year and I urge you to do the same if you are able to make it.

**Governors Report (Submitted By Paul Wolter).**

This weather has certainly been unpredictable the past several months. Low freezing temperatures one week, and the next week temperatures in the 60's and 70's. At least it doesn't prevent us from driving our Corvettes during the winter months. Several of our friends in Cedar Rapids, Iowa put cover and park their Corvettes in the garage in October and don't see or bring them out until March each year. They have their insurance premium adjusted during that time to reduce the insurance cost. However, they still are required to pay \$500 to \$600 annual license fees for a C6 Corvette.

The 2013 Southwest Region Awards Banquet hosted by the Oklahoma City Corvette Club will be held Saturday evening March 15, 2014 at the Embassy Suites Hotel beginning at 6 PM. Each SWR NCCC club has been requested to donate an event certificate for their annual autocross event for the Banquet door prize drawings. CCT is donating a certificate for our May 18<sup>th</sup> autocross that will be conducted at Mineral Wells airport. The Governor's meeting will be held the following morning at 8:30 AM in the Executive Board Room. See the flier in the newsletter for more information,

Registration is now open for the 2014 convention is August 25 – 29, 2014 and will be held at the Westin Savannah Harbor resort in Savanna, GA.

The following table shows the 2014 sanctioned Competition Schedule that were accepted at the September 2013 governor's meeting. Our joint CCT/CTV 14 low speed autocrosses will be held at the Mineral Wells Airport on May 17<sup>th</sup> & 18<sup>th</sup>, 2014.
