Meeting Information

Corvette Club of Texas (CCT)

Monthly Membership Meeting

Held every third Friday of the month, at 7:30 p.m. at Friendly Chevrolet, 2754 North Stemmons Freeway, Dallas. All members, visitors and Corvette owners are Welcome.

Following each CCT monthly membership meeting, a CCT after club social event is hosted by a CCT Member, starting at approximately 8:30 p.m.

Monthly Board Meeting

Held on the Monday before the third Friday of the month at 7:30 p.m. at Friendly Chevrolet. All members are invited to attend.

From the Editor

If you are in the market for a new Corvette, this could be the best time. There are thousands of unsold Corvettes on the dealers lots right now. With the gas at record prices and the incorrect perception that Corvettes get poor gas mileage, they are not selling well. I have seen discounts of over \$11,000 for some 2008s, although not at our local dealers. And I bet a new 2007 could be negotiated for an even better price. Dealers need to unload their new 2007s and 2008s as the 2009s are right around the corner.

The down side, of course, is low-ball trade-ins. If you can get \$30,000 for a used low mileage 2005 C6, like mine, you are doing well. But C5s, after the initial hit, when the C6s came out, are holding value pretty well. 2004s and 2003 Z06s are trading for almost the same as my 2005.

A neat tool that will allow you to search for the new Corvette of your dreams is at:

Our Friendly Rep!

Friendly Chevrolet's representative to the Corvette Club of Texas is **Greg Kubiak**. When you need to replace your Corvette with a new C6 be sure and give Greg a call at **214-920-1950**.

Also don't forget to contact Greg when you are upgrading the family car for a new one!

In addition to his regular work schedule, Greg is always at the dealership during our monthly Friday night membership meeting. Also, you can e-mail Greg at: intdir@friendlychevy.com

On the cover: The amazing ZR-1 frame at the Detroit Auto Show.

President's Prerogative June 2008

My congratulations to the Corvette Club of Texas on their 50th anniversary. In reading over your article in Blue Bars, many memories were brought back. I had the honor of being the NCCC President during your 1972 Convention and was made an honorary member of CCT! I still have the membership pin that was given to me by your club. Seeing the names of Donnie and Keith Amendson made me think of those great times and I wanted to say hello to all my old CCT friends.

Please pass this along to all of those people and especially the Amendson's!!!

As you can see by the logo, I am currently a member of the Bay Area Corvette Club in Clearwater, Florida and their NCCC Governor.

Good times!!!

Jim Hildebrand

Past President-NCCC 1971 & 1972

Membership

CCT has 21 members who are also members of the NCM. Three couples are lifetime members. Thus, we have 24 memberships in the NCM (33% of our CCT members are also NCM members.)

CORVETTE CLUB OF TEXAS, INC.**MAY 16, 2008, MEMBERSHIP MEETING****FRIENDLY CHEVROLET, STEMMONS FREEWAY, DALLAS**

Mel Roggenbuck, the vice president, brought the meeting to order at 7:45 PM, May 16, 2008. Mel gave the treasurer's report for Carol.

The April minutes were approved as printed in the newsletter and the May Board minutes were approved as read.

Mel also gave the activities report for Patti. May 17 - Mel volunteered to lead a tour to the 17th Annual Lone Star Corvette Classic at TMS. He will decide on a place to meet and eat before the tour and send out an email.

Paul Wolter gave the NCCC governor's report and noted that he sent in our sanction request for CCT's Roundup Autocross for September 6, which is the weekend after Labor Day. North Texas Vette's also sent in their request for Sunday, September 7th. James and Joann checked out the hotels for the autocross weekend and a decision will be made and Paul will update the flyer to submit for Roundup weekend.

Paul, also, said the NCCC Convention shirts have arrived and are being passed out to those who ordered them. The party planning for the convention is progressing and everything has been ordered. He reminded everyone to make their reservations for convention and the website was up and ready for people to order their day passes for the weekend we will be there – Saturday, June 21 until Monday, June 23.

James had an email from National Corvette Museum (NCM) regarding their commemorative anniversary banner. The NCM is making a banner for their 15th anniversary and plans to select 18 clubs, who submit a print-ready logo of their club, to be put on this banner. The NCM would fly these banners over NCM for a year and then they would be presented to all 18 clubs to keep. The costs would be \$350, which would be considered a donation to the museum. Paul said the CCT Board must approve that kind of expenditure. Paul has submitted our logo to be considered as one to include on the banner.

Greg, our Corvette rep, introduced himself and offered to work with anyone needing a Corvette or any other cars they might need. Just give him a call or come in to see him at Friendly. .

Mary said we did not have any new members this month but Paul and Karen Deen are back and living in Mabank now. Everyone welcomed them back.

Nomination was opened to elect a board member to replace James Powdrill. Ken Bradley was nominated, seconded and elected by acclamation.

Paulette conducted the raffle: Charles Whitaker won a bottle of wine donated by the Powdrill's; beautiful, original greeting cards created by Paula Mischel were won by: Ronnie Walker, Ken Bradley and Joann Powdrill.

Everyone was invited to proceed to Olive Garden on Northwest High arranged by Ken and Jeanette Bradley. The meeting adjourned at 8:20 PM.

Respectfully submitted,

Jeanette Bradley, Secretary

Special Request

If anyone in the club has old meeting minutes from when they were Secretary or Officer or just "inherited" them in the past, please bring them to the next Membership meeting. The CCT archives has several open spots where minutes are missing. It would be nice to fill them in our 50th year.

NCM News

*There are a limited number of slots available for our first ever PrimeDrive taking place on June 30 at Virginia International Raceway! Registration for this exciting mini driving school will close on Friday, June 13. This mini school is open to only 25 participants and allows students a chance to sample a driving program with minimal commitment to help them evaluate the opportunity in participating in a full scale driving school. Students will receive classroom instruction, a lap session on the track with an instructor and a ride-along during an instructor run session. Register and find out more by contacting Adam Boca.

*In honor of Veterans, POWs and MIA soldiers the NCM will be hosting a "Vets and Vettes" event on November 7-8 at the NCM. This event will include a visit to Fort Knox and the Patton Museum in Radcliffe, Kentucky along with participation in the Bowling Green Veterans Day Parade, NCM Xperience Program featuring a specially prepared POW/MIA Corvette and banquet to cap off the event. Watch NCM eNews for more details on how you can register for the event.

*Selections for the Historic Motorama II have been made and we are in the process of notifying participants at this time. We will have this information made available next week via our website.

*A limited number of spaces are still available for the Road America High Performance Driving Event in August. Contact Adam Boca to reserve your spot.

O'Connell and Magnussen Score Third GT1 Win of Season

Corvette Racing's final warm-up for the 24 Hours of Le Mans was run in near-record temperatures as a heat wave in Utah's high desert tested America's premier production sports car team. Johnny O'Connell and Jan Magnussen kept their hot streak alive in the No. 3 Compuware Corvette C6.R, scoring a one-minute, 4.9-second victory over the No. 4 Compuware Corvette C6.R of Olivier Beretta and Oliver Gavin in the American Le Mans Series Larry H. Miller Dealerships Utah Grand Prix.

It was the third victory in four races this season for O'Connell and Magnussen, who now hold an eight-point lead (86-78) in the GT1 drivers championships over their teammates. Corvette Racing's next event is the 24 Hours of Le Mans in Le Mans, France, on June 14-15. The 76th running of the classic 24-hour endurance race on the 8.5-mile Circuit des 24 Heures du Mans will begin at 3 p.m. local time (9 a.m. EDT). Portions of the race will be televised live on SPEED. Read more at: <http://www.corvetteracing.com>

Governor's Report

All NCCC members should have received the Blue Bars Spring Edition with our CCT group picture published on the front cover that was taken several months ago in front of our Sponsor Friendly Chevrolet in Dallas, and an interesting article about when and how the club was formed in 1958. Dues were only \$5 per year and gas was most likely .18 cents a gallon! Now dues are 6 times higher and gas to fuel the corvette and family vehicle has increased by 27 times. So, does that indicate that gas is way too high, or our dues are too low?

This time next month we will have successfully hosted the Champions Night Party at the NCCC National Convention in Tulsa. CCT has volunteered to decorate the convention hotel room for the Champions party on Sunday evening June 22nd. We are planning on a lot of help from our CCT members in setting up the party decorations that Mary and I have been collecting, assembling and painting these past 4 months. We will be leaving Dallas Saturday morning, June 21st and caravanning to Tulsa. Our member Ronnie Walker is providing the music that night of our Champions party, and you know how great that will be from his entertaining us at our annual club Christmas party the past two years! For NCCC convention activities, agendas and registration information go to <http://www.ncccsregion.org/>

Also, don't forget that we are hosting our annual autocross (Roundup 2008) again on Saturday & Sunday, September 6th & 7th at the Grayson County Airport. We are teaming again with our Corvette friends in the North Texas Vettes (NTV) Club and will be conducting 7 autocrosses on Saturday and 7 autocrosses on Sunday. Saturday evening will host a 50th anniversary celebration at the autocross host hotel in Sherman. We will need your support to help plan and work the autocross events that weekend. We have received the NCCC event sanction numbers for the autocrosses, the flyer is being updated, and I need to identify volunteers to chair each autocross event for publishing in the flyer, which needs to be finalized and distributed by July 1st.

The following event calendar identifies the upcoming NCCC events through the end of 2008.

Corvette C4 and C5 VIN Decoder

The Vehicle Identification Number was not completely established until 1981 when the number of automobiles being produced became overwhelming to keep track of. This 17 character long ID consists of both numbers and letters that are used like a social security number, but for a car. They can tell you exactly where the car was assembled, what year it was assembled and just about any other information about the car. The VIN can be found in two spots on the automobile, the first is on the drivers' side of the dashboard where it meets the windshield and is easily viewed from the exterior of the car. The second spot is also located on the drivers' side of the automobile and is on the door sill, if sitting in your Corvette open the drivers side doors and looks behind your left elbow, and is in the form of a sticker with a barcode.

Besides giving you information about your Corvettes place of birth and it is also used as a theft deterrent and as a means to check-out a used cars history.

Anti-Theft and Theft Recovery

The VIN serves as a theft deterrent because it makes any car traceable to its registered owner. Besides being located on the dash and door sill there have been new methods of hiding the VIN in the car making it even harder for thieves to switch VIN plates. One method is having your cars VIN etched into the glass of the automobile and only visible when coated in an acid revealing its identity. This is also used in identifying a stolen vehicle to notify insurance companies and owners as stolen vehicles are recovered in terrible and sometimes unrecognizable condition.

Vehicle History

Several on-line sites now offer VIN background checks when purchasing used vehicles. This allows a potential buyer to know if the car was once a lemon, stolen, involved in a serious crash, or has suffered from flood damage. It can also alert the buyer if the vehicle has failed an inspection or if the odometer has been tampered with, rolled back, or if the odometer has rolled over and returned to zero.

VIN Decoder

So, the big question is what does each of those 17 characters stand for? Well look no further below is an explanation of each of the 17 characters for your Chevrolet made Corvette.

- 1 Country of Origin – For U.S. models: 1, 4 or 5
- 2 Manufacturer – General Motors: G
- 3 Manufacturer Division – Chevrolet: 1
- 4-5 Make – Corvette: YY
- 6 Body Style –1: Two Door Fixed Top Coupe 2: Two Door Hatchback 3: Two Door Convertible
- 7 Safety Equipment – 2: Active Belts w/ Front Air Bag 4: Active Belts w/ Front & Side Air Bag
- 8 Motor Type – Specific to year *

9 Check Digit – 0-9

10 Model Year – Specific to Year **

11 Production plant – Bowling Green, Kentucky: 5

12-17 Production sequence – 100001 and up

ONLY FITS C5 TOPS

Fitted top bag for C5 Coupe

If you have two tops, leave your top off for long periods or have a lot of sharp "stuff" in the back when you stow your top this is just what you need. This bag retails for around \$60. Asking \$25 OBO. I have two bags, one is brand new, the other was used to store my 2004 C5's glass top for a season under my bed and looks like new.

They are designed to allow you to put the top in the bag and still be able to lock it securely in the hatch brackets.

Joe Wagner 817-282-1355. If you are interested I'll bring them to the next meeting.

Southwest Region Fund Raiser

LODGING: We have reserved a block of 35 rooms at the Quality Inn located at 7800 C.A. Henderson Blvd., Oklahoma City, OK, which is on the south side of I-240 between Western and Pennsylvania. This is the same hotel as years past. We've been given a special rate of \$50.99 + tax per night with room occupancy of up to four people. The Quality Inn will hold this block of rooms for us through May 24th, 2008. To make reservations, call (405) 632-6666 and be sure and mention that you're with the Corvette group for those dates and rates.

REGISTRATION: Friday, June 6th from 6:00 PM to 9:00 PM at the Quality Inn and before each scheduled event at the event location. Naturally, we prefer that you **pre-register by mail** for all the events (and save yourself some bucks). **Forms must be postmarked by May 24th 2008 for pre-registration!** **NOTE: To insure a quality event we will be limiting autocross entrants to the first 80 complete packages received!!**

NO HOSPITALITY: **Due to being a Southwest Region fund raiser there will be no hospitality.**
Note: We will be providing lunch tickets for Saturday redeemable at the track.

NO AWARDS: REDUCE ENTRY FEE IN LIEU OF AWARDS.

TECH: Because there is always a great turnout for this autocross, we request that if you're at the Quality Inn Friday night, please tech your car then. **Tech will be open from 6:00 PM to 9:00 PM Friday at the hotel, then Saturday and Sunday morning from 7:30 to 8:30 AM at the Sheriff Training Center.** Friday evening will be the best time to get your Corvette teched, for all of us!

Saturday June 7th, & Sunday June 8th Oklahoma County Sheriff Facility:

Registration is **Saturday and Sunday morning from 7:30-8:30 AM at the Sheriff Track** at the corner of NE 36th and Air Depot. Watch your speed on NE 36th the locals do patrol and they will write you a ticket.

Autocross: **Driver's meeting at 8:30 AM** with the first car out at **8:45 AM**. The Track is a road course used for training local Law Enforcement Personnel. That will allow us to setup a fast and challenging course for everyone's enjoyment. We will run ten full autocrosses (No Split Timing) See course map below...

NOTE: TO INSURE A QUALITY EVENT WE WILL BE LIMITING AUTOCROSS PARTICIPATION TO THE FIRST 80 COMPLETE PACKAGES RECEIVED!!

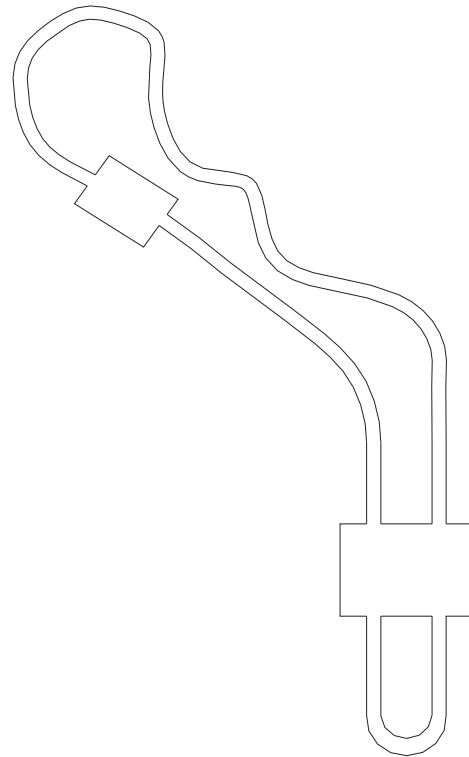

**SATURDAY AND SUNDAY IS A FUNDRAISER FOR THE SW REGION.
ALL ENTRANTS ARE EXPECTED TO HELP WORK THE EVENTS!!!**

Note: NO alcoholic beverages are allowed at the Sheriff Training Center during or after the event.

OKC's latest edition is a driver training center for the County Sheriff's department.

Over a mile in length, smooth, fresh blacktop.
Very challenging, very, very fast!!!

HOWEVER, tow rigs/trailers will have to park in the grass. Once your car is in staging, it will be very difficult to get back to your rig...plan accordingly.
